

ChinaAMC (HK) backs Visa and ANZ in Phase 2 of HKMA's e-HKD Pilot Programme

[Hong Kong, September 23, 2024] ChinaAMC (HK) is pleased to back our partners Visa and ANZ in exploring different ways to enable Australia-based corporates to invest in Hong Kong-based investment funds using digital money under Phase 2 of HKMA's e-HKD Pilot Programme.

The partners will jointly explore near-real time settlement for interbank transfers and cross-border payments, facilitating corporate investors' purchases of tokenised fund units offered by ChinaAMC (HK).

Thomas Zhu, Head of Digital Assets and Family Office Business, ChinaAMC (HK) said: "ChinaAMC (HK) is honoured to have been selected for Phase 2 of the e-HKD Pilot Programme. Building upon the initial successes achieved by the HKMA in Phase 1, which demonstrated the versatile potential applications of e-HKD, we look forward to working closely with the HKMA and esteemed partners to explore more use cases of e-HKD, tokenised deposits, and tokenised funds."
