details, including risk factors. Investors should not base investment decisions on this marketing material alone. Please note:
The investment objective of ChinaAMC Select Stable Income Fund (the "Fund") is to provide stable income by mainly investing in money market instruments denominated in USD or HKD.

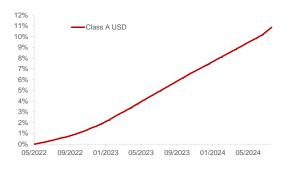

- The Fund is not a bank deposit. The Fund may both gain and lose value and there is no guarantee of repayment of capital. The Fund is subject to general money market instruments risk, volatility and liquidity risk, credit risk, interest rate risk, credit rating risk, valuation risk, downgrade risk and sovereign debt risk. RMB is not freely convertible and is subject to exchange controls and restrictions. Any depreciation of RMB could adversely affect the value of the Fund. Payment of redemptions and/or dividend in RMB may be delayed due to exchange controls and restrictions.
- The Fund's investments exposure may concentrate in Mainland China, which involves concentration risk, risks associated with emerging market, dim sum bonds and greater political, tax, economic, foreign exchange, liquidity, legal and regulatory risks. The Fund may acquire derivative for hedging purpose. The price of a derivative can be very volatile which may result in losses in excess of the amount invested in the derivative.

\* The Fund is not authorized as a money market fund under the SFC's Code on Unit Trusts and Mutual Funds. The eligible investment instruments of the Fund; the weighted average maturity and life of the Fund's portfolio; the remaining maturity of the instruments invested by the Fund; and the proportion of the Fund's total Net Asset Value investing in sale and repurchase transactions do not meet the limits applicable to money market funds in Hong Kong. The Fund may be more negatively impacted in the event of changes in interest rate, and may be subject to higher credit risk, counterparty risk, interest rate risk, volatility and liquidity risk.
